Do you have your own cover for your stall? Yes _ No _ What is it's overall dimensions? W_____ x D_____

Type of cover (ie umbrella, portashade, tent, van)

Do you require power? yes _ no _

What electrical items will be used? (Include usage in KW's or Amps)_____

Powered Stalls

If you are having a powered stall, all electrical equipment including power leads, must be tagged by a qualified electrician before use. An electrician will be on site in the morning to certify all equipment is safe before use. If any un-tagged leads or unsafe electrical items are found, you will be charged a fee to have them tested and tagged, as per Brisbane City Council safety regulations. We recommend that you get you leads checked prior to the day, as this will save time and added expense for you on the day.

Each Stall site is a 4 x 4m allocation.

Table(s) and Chair(s) are not provided as part of the stall fee. However, the Brisbane Billycart Championships Committee can organize small tents, tables, chairs and umbrellas for you, but numbers are limited. Hire fees are on the stall form, which if required, needs to be completed before returning the form.

There will be BCC officers checking that food stalls have a food permit and have followed all the BCC guidelines on site on the day.
